

Omniscreen Hospitality & IPTV System

ENTERPRISE TV APPLICATION SERVER: Omniscreen Pilot

Digital Signage and Content Management

KEY FUNCTIONS:

- MEDIA PROCESSING
- SERVICE MANAGEMENT
- CONTENT MANAGEMENT
- DEVICE MANAGEMENT
- Enterprise-grade Software and Hardware Package
- IPTV and Digital Signage delivery
- Integrated Live TV, On-demand Video and Signage
- Fully customizable
- Easy to use
- Reliable
- Live TV and Pay TV distribution with EPG
- Playback on TV, PC, tablet, smartphone
- Network-based video recording
- Personalised content and video/photo sharing
- Video On-Demand
- Emergency and general announcements
- Advertising and Digital Signage
- Scheduling and Playlists
- External information feeds (e.g. weather)
- Optional redundant configuration

All BLANKOM & Omniscreen products are very easy to use. Supplied with intuitive web-based interfaces, your system can be potentially used and managed from anywhere via an authorised PC, Mac, tablet or a smartphone.

Microsoft[®] Active Directory integration is available on request. Authorised users may have different access levels subject to their operational and/or corporate role within the customer organisation.

The end user interface can be customised to reflect corporate identity and branding on all supported devices.

The Omniscreen TV System Product features: Omniscreen Pilot[™] is an enterprise TV and digital signage application server. It is usually provided as an appliance, but can be deployed in the Cloud as a SaaS offering.

Pilot is a versatile entertainment, information, and digital signage solution, which can be customised to most enterprise requirements including Government/corporate offices, broadcast and AV studios, public venues, hospitals and aged care facilities, hotels/resorts, cruise ships, airlines and railways, mining camps, and other locations alike.

Omniscreen Pilot is a reliable solution proven in commercial deployments under 24/7 operating conditions.

The screenshot shows the Omniscreen web interface. On the left is a teal sidebar menu with options: Accounts, Channels, Devices, Media, Movies, Recordings, User Videos, User Photos, Activities, Announcements, Digital Signage, and Meals. The main content area is titled 'Photo Library' and shows 'My Photo Albums' with two albums: 'Nature (4)' and 'Movie Thumbnails (6)'. Below this is a 'Shared Photos' section displaying a grid of various images. On the right, a TV screen displays a program titled 'Nine Digital Big Brother' with a duration of 13:00 - 14:00 and a description: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nam tristique dolor a mauris auctor fringilla. Donec blandit sapien consectetur est aliquam consectetur. Next: Channel 9 News'.
